Certain things should be remembered...
应当记住某些事物...

The celluloid-colored shadows and the riverbank
赛璐珞色的阴影与水岸

In the breakfast shop the handmade noodles
面店铺早餐 擀面

Homemade wine, sealed in clay jars with mud
家中自酿的酒，泥坛封口

The clean streets, the water
洁净的街道 水

People sit on the curb, talking
马路牙子上坐着攀谈

Fish scales scattered along the roadside like falling snow
路边到处都是鱼鳞 雪花一般

Certain things...
某些...事物...

The river is filled with water hyacinths,
making one imagine the scenes and accidents upstream

Echo. Narcissus. Murky water
Flowers of the underworld river

满河的水葫芦
让人臆想上游的光景与事故
回声，水仙，浑浊之水
冥河的花朵

在河边反复浸湿手指的人
The onewho keeps wetting their fingers in the river

背面沿河是三岔路口
一条通向车马路
另两端通向一座佛塔
以及一条如感叹号般
上宽下窄，结局昭然的路
我没有什么地方可以走了
我没有勇气和心境到佛寺中去
也不忍再去看另一侧
面目全非的土地和消失的房屋
仿佛被纸上一团墨迹挤着
越来越走不到曾经到达的地方

我就在这里来回走着
眼中几乎沾上了潮湿的灰尘。
喧闹的河边集市，水洼，裂隙，
万物的声音和回音
寥寥一个早晨
我似乎听到无数个词语，
词汇量却少的可怜

On the river side, the three-way crossing:
one road leading to the carriageway,
the other two toward a Buddhist pagoda
and a road shaped like an exclamation mark —
wide at the top, narrow at the bottom, its ending obvious
There was nowhere left for me to go
I had neither the courage nor the state of mind
to enter the temple,
nor the heart to look again toward the other side,
where land was disfigured, houses gone,
as if squeezed by a blot of ink on paper,
less and less able to reach what I once could

So I walked here, back and forth,
my eyes almost catching damp dust
The noisy riverside market, puddles, fissures,
the sounds and echoes of all things
In the bare span of a single morning
I seemed to hear countless words
yet the vocabulary, pitifully thin

血月

魁星阁

观音角落中阴森
香灰血迹一般墙上

庙宇中佛的异名
隐现。斑驳的金黄…
尘世的獠牙

Kui Xing Shrine

Guanyin in the corner, shadowed and grim
Incense ash on the wall
like smears of blood

In the temple, the Buddha's other names
flicker in and out of view;
the mottled golden yellow...
the fangs of the earthly world

Under the shade of an ancient camphor tree, a broken bridge

A small shrine by the river

Candles densely planted at the corner, densely

People line up, taking turns to worship

Palms pressed together

For a morning of good business, or perhaps

things that can only be articulated

in a low murmur to oneself

古老的樟树，荫蔽之下的断桥河边的小庙

转角处插满蜡烛

冬日傍晚

走到田野深处时
你会注意到家禽的张望
门洞里走出大小的犬，然后是老人，然后将老的人

没有人走的更近了
生灵仿佛从诞生起就被训诫：要安静
这条河也并不属于谁家
无名的古桥，无名的河流。
这以当地大湖命名的整个村落
或许没有太多区别

大地灰白——
将要沿途而返时，走来一个还家的老人
边走边端详
她笑着问我们的来处
说起此地稀少的过客
然后又指向远处，
这是谁家的地这是谁家的坟

A Wintery Afternoon

When you walk deep into the fields
you'll notice the gaze of poultry
Dogs, large and small, emerge from doorways
followed by the elderly, and then those growing old

No one gets any closer
Creatures seem to have been instructed since birth: be silent
And this river doesn't belong to anyone either
The unnamed ancient bridges, the unnamed rivers
the entire village named after the big local lake,
might not be much different

The earth grayish-white —
when we're about to return along the same path
an old woman approaches, heading home
looking us over as she walks
She smiles while asking where we came from
talking about the rare visitors here
And then points into the distance,
saying whose land this is, whose graves these are

过客

Passerby

I've been here many times before...
taking a taxi, arriving at four in the morning,
leaving at the noisy hour of ten, through crowds and rotting leaves
The sky is still dark. No one greets me,
no one tells me I've come too early
I can't find a place to settle
I've walked both banks of the canal
the narrow alleys, shopfronts with or without people, I've walked them all
Alright. I'll return again from that nameless path
to the broad street with its arching gate. Morning trembles amid the clamor
The thought of doubling back the way
always makes me pause in hesitation
These plastic bags, foam boxes, the cramped cages crowded with
chickens, ducks, and geese, the basins dipped from the river,
I've seen them all. Many living things
have died this morning. I too have touched the water.
The vendors of vegetables and fish still sit on the ground,
watching me from the roadside,
for they know I will soon be gone again

已经来过许多次了…
乘坐的士，在凌晨四点到达
在嘈杂的十点穿过人流和烂叶离去
天还没有亮。没有人和我打招呼，
没有人告诉我，我来的太早了。
我找不到地方落脚
运河的两岸我都走过了
狭窄的街巷，有人或无人的门面我都走过了
好吧，我还是像那样从无名的小路回到那条
有着门楼的宽阔街道。清晨在喧闹之中颤栗
沿途而返的念头，总是让我驻足犹豫
这些塑料袋，泡沫盒，鸡鸭鹅的拥挤铁笼，
河水舀出的盆，都已经看过了。许多生灵
已经在这个早晨死去。我也已经沾过水。
卖菜的、卖鱼的摊贩们仍旧坐在地上
在路边看着我。
因为他们知道我过一阵就要走了

From the cage, the rooster's cry,
or perhaps, courtship, perhaps
sounds like nothing more than a wail from afar.

笼中公鸡的啼鸣或求偶
远处听来，大概不过是哀鸣而已

河岸
定睛一看有很多细节

Along the riverbank,
a closer look reveals many tiny details

一个运河边废弃的村落
天正要亮，渔民从附近的大湖满载而来

Men fishing with rods,
with nets,

or simply squatting

在巴城的无名古桥上

路灯在房屋瓦片上的斜斜倒影
仿佛是一条河流，弯弯曲曲
某些夜里我相信
飞鸟也曾用脚爪涉过这条河流
就像初入乡野的我笨拙地跨过田埂
每一步，都有未曾听闻的回声

On an Unnamed Old Bridge in Bacheng

The slant reflections of streetlights on roof tiles
seem like a river, winding and bending
On certain nights I believe
even birds once waded
through this river with their claws —
just as I, newly arrived in the countryside,
awkwardly stepped over the field ridges,
each step carrying an echo
I had never heard before

Method Department/fāng fǎ kē/方法科

The method of digging through water and soil
The method daring to make the sun and the moon shine in the new sky
The most immediate, effective method of building the new countryside
Like the vacant slots on a Lego baseplate, beside
neat rows of houses: a basketball hoop,
a court, a multicolored ground; tiny figures to be placed
When the earth is still covered in materials,
dust, and knots of souls;
The method of installing pit latrines and flush toilets under the open sky
Within the square and hollow cube,
the bright and upright methods
The method of renewal, the method of returning to garden and field
To dwell or to abandon, clangs and clatters,
methods hard to articulate, yet surely
exist between the gaps of Chinese characters,
disappearing into habitual forgetting

Referred to by the three exposed red characters, 方法科,
a tin house with pink roof and white walls,
so light, yet holding infinite power of ruin,
casually breaking the rusted soil and iron,
moving anywhere it pleases; a dreadful thing upon the earth

方法科

掘动水土的方法
敢教日月换新天的方法
最立竿见影的，建设新农村的方法
如同乐高玩具基座上的空置，在整齐房屋的一侧
篮球架，篮球场，多色的地面；
小人等待安放。在遍地还是建筑材料，尘土与魂结之时
在露天同时安装旱厕与抽水马桶的方法
空心的立方体中，方方正正的办法
焕然一新的方法，归园田居的方法
居住或弃置，叮叮哐哐，难以被言说
却无疑存在于汉字间隙之间的方法
消失在人们惯常的遗忘之中

被显露出的三个红色大字所指代，方法科，
粉顶白墙的铁皮房子
看起来如此轻薄，却有无穷的毁灭之力
随意地破坏那些生锈的土和铁，
随处移动。一件大地上的可怖之事

好 好 好

Good, Great, Gorgeous

这一周没有下雨，
未来的几日也没有迹象
For a week, no rain
and the days ahead offer no signs

当气候干燥的时候
泥泞大概也只是捧祥和的乡土
岁月中总有一些说不清的
让一幅没有装裱的水墨画模糊的东西

When the season turns arid,
the mud is probably only a handful of gentle native soil
In time there are always things one cannot quite name,
things that blur an unmounted ink painting

如果有一日江南变得干燥
我也不会改变我的品格

Even if Jiangnan turns dry one day
my character will remain unchanged
